Highlands (Edmonton), Edmonton, AB

You'll fall in love with this stunning Highlands home. Numerous upgrades make this home move-in ready, while the character has been thoughtfully retained. Sunlight pours through large east and west facing windows in the living and dining rooms. The kitchen was redone in 2017 and features a wall of windows overlooking the back yard, a desk with cookbook storage, and an exposed brick chimney. There's a large bedroom and a full bath on the main floor, ideal for a primary suite, guest room or home office. Upstairs you'll find two big bedrooms including the primary with ensuite & walk-in closet! There's a 4th bedroom in the finished basement with a 2-piece bath as well. Redeveloped in 2002 the basement has a big family room and plenty of storage! The back yard is your private park with a large deck (2023), privacy fence (2020), fire pit and veggie garden! Highlands K-9 school and Highlands Park are each just a few blocks away and the river valley is just a stroll away! NEW OVERSIZED DOUBLE GARAGE IN 2023! I
